KVH

TracPhone® V7-HTS Agile Lite Program

KVH's Regional V7-HTS Agile Lite program offers the ease of a monthly all-inclusive subscription fee for equipment and data, with:

- NO CAPEX or maintenance costs
- NO commitment plus monthly subscriptions as low as $479
- NO penalties if you need to cancel for ultimate flexibility

The 3-axis, gyro-stabilized, 60 cm (24 inch) diameter TracPhone® V7-HTS offers blazing fast, worldwide connectivity via next-generation satellites on the mini-VSAT Broadband HTS Network. This comprehensive SATCOM solution includes:

- **Fastest data speeds**: Uncompromised download/upload speeds as fast as 10 Mbps/3 Mbps
- **Dual channels**: Simultaneous high-speed and free unlimited use data channels
- **Global coverage**: KVH's Ku-band HTS network with 105 million square miles of coverage, providing greater resilience to weather and rain fade than Ka-band networks

Agile Lite Program Unlimited Use Rate Plans:

DATA SERVICE (Ku-band - HTS Network)				
USD$/month[1]	Shore-to-Ship (down)[2]	Ship-to-Shore (up)[2]	CIR	
$479	128 Kbps	64 Kbps	64	32
$629	256 Kbps	64 Kbps	128	32
$839	512 Kbps	128 Kbps	192	64
$1,109	1 Mbps	256 Kbps	256	128
$1,499	1 Mbps	512 Kbps	256	256
$1,819	2 Mbps	512 Kbps	512	256

[1] **Prices above include 500 MB of High-Speed data.**
[2] *Published data speeds are maximum speeds and may vary in different regions and under different conditions.*

Subscription costs for the Agile Lite Program does not include equipment delivery/installation or IP-MobileCast content/services.

KVH V7HTS Regional coverage via KVH mini-VSAT Broadband service
Satellite 169E

Highlights

- Fast, affordable data – airtime plans with the highest data speeds on the network at lower prices

- Rugged, powerful, compact Ku-band VSAT antenna, 60 cm (24 in) diameter, 26.1 kg (57.6 lbs) – smaller and up to 34 kg lighter than competing systems

- Global broadband connectivity with fully integrated network management

- Automatic, fast switching among high-speed network beams, ensuring seamless communications wherever your vessels travel

- Voice over IP (2 VoIP lines available), Ethernet switch, and Wi-Fi capabilities

- All in one streamlined belowdecks unit, just 2U high

- myKVH – easy-to-use portal to manage onboard data usage and monitor vessels

- KVH OneCare – comprehensive global support program
